LAST FRIDAY CONCERT SERIES

San Francisco Waffle Opera Gala

“Best Foot Forward”

Waffle Opera is an organization founded, realized and run by a group of friends with an abiding love of opera and breakfast for dinner. Here at Waffle Opera, we believe that opera offers glamor, fantasy and escapism to everyone who hears it. We believe that classical music is for everyone. We believe that opera has the potential to speak to what is best in us all. Our goal is to create a lively, intimate operatic experience. We have devoted ourselves to creating opportunities for young professionals like ourselves to hone their craft while performing the greatest music ever written.
